Now Open: Registration for TCS Transportation 2022 – 2023

Dear Parent(s)/Guardian(s)

The registration window for TCS Transportation services for the **2022-2023** academic school year is now open. All parents/guardians requesting transportation service are **required** to complete the **Google Transportation Form** by visiting this link: [TCS Transportation Registration](#). Or you may register at www.TiffinCitySchools.org by selecting the following tabs: About TCS – Departments – Transportation. In an effort to expedite the routing processes for the 22/23 transportation season, we ask that all transportation requests be filed by no later than May 15th.

We understand that life happens, sometimes causing changes in plans, so please be sure to submit an updated request ASAP, in the event that your circumstances change after you have submitted your original 22/23 request. Any updates will be accepted throughout the summer, however, the sooner they are received the sooner requests can be processed.

Before determining your transportation requirements, please note that all students must still qualify for busing per TCS board policy. Please be sure to view and make note of all policies, rules and guidelines regarding transportation eligibility and requirements prior to submitting any requests. Said policies can be found on the Transportation page of the district website.

As always, we look forward to transporting your student(s) in a safe and efficient manner. If you have any questions or concerns regarding TCS transportation, please feel free to contact us at 419-447-8729 at your convenience.

Safe Regards

Randy Conger
Transportation Supervisor
