Dear Parents and Guardians,

I am looking forward to another year of fun and learning at Bridges Preparatory Academy. The 2023-24 school year is going to be even better than last year. We have a new theater program and will be adding a K-9 musical to our agenda as we have some very talented staff that know how to develop the talents we have in the building. This can be behind the scenes, on the stage, creating props or overseeing the lights.

We have a few changes in staff and some new curriculum to support student growth and learning. Mr. McGinnis and Mrs. Gahring will be greatly missed this school year, but we wish them nothing but the best in their future endeavors.

Our focus this year is to assist your scholar in learning to develop a positive sense of self and community by mentoring and involvement in team building exercises. We feel that each student is on a journey to become their very best, and it is our mission to give them all the tools necessary to get there.

We know that it takes us all working together to support and uplift each other. I am hoping this year brings even more parental excitement and involvement beginning with our **back-to-school open house on August 15th from 5pm to 7pm.** All staff and many support services will be on hand to meet you and answer questions you may have about the upcoming year. This is a mandatory event and sets the tone for the year.

Thank you all for your continued support. One final note, we have a **back-to-school fun event on August 10th from 5pm to 7pm.** Please come and see us and your friends.

Sincerely,

Amy Lanier
Principal
